The world's favourite face and body paint

Halloween is the one time of year when children can be "little devils" and not get into trouble!

Using a brush, outline the upper eyelid with White paint, exaggerating the corners. Then add two upside down triangles at either side of the bottom lip to create "fangs".

Then, using a brush, sweep Bright Red paint across the eyelid, curling the ends up over the eyebrows. Paint the lips in the same colour. Using Ochre Yellow paint, draw a line from the inner corner of the eye to the centre of the cheek, on each side.

To finish, create eyebrows, sideburns and a goatee beard with Black paint using dramatic strokes.
